Description **Pancafit®**, the first tool of postural “rebalance” in the world; the first one in its category; the first tool of this kind to be patented in the world. Created by Professor D.Raggi (entirely produced in Italy by Posturalmed).

“Simplicity is its strength, the method its success”. “Its functionality lies in its practicality”. “Its immediacy summarizes it all”.

This system works for real!

It is easy to carry, compact, lightweight, resistant; you can open and close it in few seconds. Once it is closed, it can be easily put everywhere. You can use it in the studio, at home, in the office, on holiday.

With Pancafit® it is possible to execute over 50 exercises at home, alone, and at least 500 postures with a therapist trained with Raggi Method®. The instruction that go with the product will give to privates all the information in detail.

For what concerns professionals, instead, there are very useful theoretical and practical training courses that can be immediately put into practice.

The product is available in three different colors. A feet side protecting covering is also included. Weight without packaging: about 12 kg.
